THE PORT SINGERS

This season marks the twenty-seventh anniversary of the Port Singers. Throughout this quarter-century our goal has remained constant - to offer quality music for the enjoyment of our members and the community from which we are drawn. Though our backgrounds are diverse and our experience largely amateur, we are bound together by the joy of singing.

The Port Singers productions have been marked by their versatility and exclusivity. In December we offer a classical concert and in May a musical show. These productions are, in every respect, the work of our members. We construct the sets, make the costumes, arrange the publicity and publish the program.

Sometime ago the Port Singers inaugurated a scholarship program whereby high school students, chosen by their music department and a Port Singers committee, are invited to participate in the productions as guest members. At the end of each year, several scholarships are awarded to outstanding high school seniors who plan to continue the study of music.

A large portion of the proceeds from each production is assigned to the Scholarship Fund. In addition, we are assisted in this endeavor by the Patrons and Sponsors whose names appear in the program. Without their continued moral and financial support, neither the productions nor the Fund would be as successful as they are.

If you would care to join us as an active member, or help underwrite our expenses as a Patron or Sponsor, we cordially invite you to contact Mrs. Rudolph deWinter, 883-1551, or leave your name and address with an usher tonight.
